

Saginaw Valley Amateur Radio Association

Field Day Information Sheet

Field Day is fast approaching and it is necessary that we have the following information sooner rather than later. You cannot plan a party if you do not know the number of guests!! So, please if you are planning to attend take a moment and complete this information sheet and return it to Mike K8AVJ Thanks.

I hope to attend: Friday _____ Saturday _____ Sunday _____

I would like to Operate CW _____, PHONE _____, Early AM _____ PM _____ LATE Night _____

I would like to Log for CW _____, PHONE _____, Early AM _____ PM _____ LATE Night _____

I would like to Operate _____ Log _____ UHF/VUF _____ Early AM _____ PM _____ LATE Night _____

I would like to Operate Digital _____

I am willing to help where help is needed: Yes _____ No _____

Name _____ Call _____ Phone _____

There will be _____ guest(s) with me I am a Novice/Tech Plus _____ I am a member of ARES _____

Would you like to help with any of the following activities:

- | | |
|---|--|
| <input type="checkbox"/> Friday camp setup | <input type="checkbox"/> Saturday Breakfast setup |
| <input type="checkbox"/> Friday Antenna setup | <input type="checkbox"/> Saturday Lunch Setup |
| <input type="checkbox"/> Friday social hour | <input type="checkbox"/> Saturday Dinner Setup |
| <input type="checkbox"/> Grounds Management | <input type="checkbox"/> Sunday Breakfast |
| <input type="checkbox"/> Caffeine Manager (Coffee, tea) | <input type="checkbox"/> Youth Activities(fox hunt) for Saturday |
| <input type="checkbox"/> Camp Cleanup on Sunday | <input type="checkbox"/> Marshmallow roast Saturday Night |
| <input type="checkbox"/> Take pictures or video | <input type="checkbox"/> Club trailer and Info table setup |
| | <input type="checkbox"/> Club trailer towing/transport |

I would like to offer my:

- Generator to run radios, computers, etc.
- Canopy, tent or chairs
- Caution tape or safety fencing w/poles
- Folding tables
- Radios or related equipment
- Antennas or feed line

Other Skills or Interests:

- I can or would like to setup/operate Mi6WAN
- I can or would like to setup/operate Meshnet
- I can or would like to setup/operate APRS
- I can or would like to setup/operate a satellite station
- I can or would like to setup solar power

At the June meeting all of the people who have registered will receive a packet of material including a sample checklist of what you could bring for yourself to make this event more enjoyable and a summary of the ARRL rules. Also included will be some notes on operating procedures for those of you who will be at the key or mic during this event.
